October 18, 2009

I want to thank all of you with your generous donations to support The Center's "Crack-A-Pin" Bowling Team for the Special Olympics Fundraiser this past weekend.

We are proud to announce that "Crack-A-Pin" raised over **\$500.00** and we were **the #1 fundraiser for the event**. This would have never been possible without all your support!

We all had a great time bowling (especially my 6 year old daughter who loved the fact she beat my score!) We made new friends, laughed a lot, and look forward to next year! Above all else, we left with a great sense of gratitude for your donation and how these funds will be used to recognize, honor, and support the participants in the Special Olympics.

Thank you so much for helping so many people – we truly were touched and will never forget your generosity.

Thank you again.

Sincerely,

Dr. Quinn Akira Takei
