

Table of Contents

I. Diagnosis

Pulse Diagnosis	1
Tongue Diagnosis	6
Pulse & Tongue Comparison with Zang-Fu Pathologies	13
Ten Question Diagnostics	16
Six Stages	25
Four Levels	28

II. The Basics of Acupuncture

Cun Measurements	30
Five Elements	32
Circadian Clock	34
Functions of the Zang Fu Organs	35
Specific Points	37
• Jing-Well Points	
• Ying Spring Points	
• Shu-Stream Points	
• He-Sea Points	
• Yuan Source Points	
• Xi-Cleft Points	
• Luo-Connecting Points	
• Back Shu Points	
• Front Mu Points	
Special Point Quick Reference Guide	39
• 8 Influential Points	
• 8 Confluent Points	
• Lower He-Sea Points	
• Window to the Sky Points	
• Extra Xi-Cleft Points	

• Points with Caution During Pregnancy	
• Command Points	
• General Luo Points	
• Sea Points	
• Group Luo Points	
• Circadian Clock	
• Caution with Moxibustion Points	
• Yin & Yang Theory	
• Husband & Wife Law	
• List of Points with Special Puncture Methods	
• Important Meridian Crossing Points	
• Muscle Regions	
“Health PleX Center” Memorization Aid Chart	42
Accu-Specifics Chart	43
Points Summary	44
Empirical Points	52
Common Point Combinations	54
Tonification and Sedation Techniques	56
Four Needle Technique	57

III. Over View of Points

• Points of the Upper Extremities	58
• Points of the Lower Extremities A	59
• Points of the Lower Extremities B	60
• Points of the Head & Neck	61
• Points of the Anterior Trunk	62
• Points of the Posterior Trunk	63

IV. Acupuncture Points

Acupuncture Points of the Lung Meridian of Hand Taiyin	64
Acupuncture Points of the Large Intestine Meridian of Hand Yangming	69
Acupuncture Points of the Stomach Meridian of Foot Yangming	76
Acupuncture Points of the Spleen Meridian of Foot Taiyin	89

Acupuncture Points of the Heart Meridian of Hand Shaoyin	96
Acupuncture Points of the Small Intestine Meridian of Hand Taiyang	100
Acupuncture Points of the Urinary Bladder Meridian of Foot Taiyang	106
Acupuncture Points of the Kidney Meridain of Foot Shaoyin	125
Acupuncture Points of the Pericardium Meridian of Hand Jueyin	133
Acupuncture Points of the San Jiao Meridian of Hand Shaoyang	138
Acupuncture Points of the Gallbladder Meridian of Foot Shaoyang	146
Acupuncture Points of the Liver Meridian of Foot Jueyin	159
Acupuncture Points of the Ren Meridian	165
Acupuncture Points of the Du Meridian	174
Extra Acupuncture Points	183

V. The Extra Meridians

Chong Channel	190
Dai Channel	192
Yang Qiao	194
Yang Wei	196
Yin Qiao	198
Yin Wei	200

VI. Treatment Modalities

Auricular Acupuncture	203
Auricular Acupuncture & The Treatment of Substance Abuse	207
Scalp Acupuncture	209
Moxibustion	213
Cupping	215
Ion Pumping Cords	216

VII. Differentiation of Syndrome

Lung Syndromes

217

1. Lung Qi Deficiency
2. Lung Yin Deficiency
3. Wind-Cold Attack Lung
4. Wind-Heat Attack Lung
5. Lung Dryness
6. Damp Phlegm Obstruct the Lung
7. Phlegm Heat Obstruct the Lung

Large Intestine Syndromes

219

1. LI Qi Deficiency
2. LI Heat
3. Excess Heat Obstruct the LI
4. LI Damp Heat
5. LI Cold
6. LI Dryness
7. Intestinal Abscess

Stomach Syndromes

221

1. Stomach Qi Deficiency
2. Stomach Yin Deficiency
3. Stomach Cold
4. Food Stagnation
5. Stomach Heat
6. Blood Stagnation in the Stomach
7. Stomach Damp-Heat

Spleen Syndromes

223

1. Spleen Qi Deficiency
2. Spleen Qi Sinking
3. Spleen Yang Qi Deficiency
4. Spleen Failure to Control Blood
5. Spleen Cold Damp
6. Spleen Damp Heat

<u>Heart Syndromes</u>	225
1. Heart Qi Deficiency	
2. Heart Yin Deficiency	
3. Heart Blood Deficiency	
4. Heart Yang Deficiency	
5. Heart Fire	
6. Heart Blood Stagnation	
7. Hot Phlegm Bothers the Heart	
8. Cold Phlegm Misting the Heart	
<u>Small Intestine Syndromes</u>	227
1. SI Qi Stagnation	
2. SI Deficient Cold	
3. Excess SI Heat	
<u>Urinary Bladder Syndromes</u>	228
1. UB Damp Heat	
2. UB Damp Cold	
<u>Kidney Syndromes</u>	229
1. Kidney Qi Deficiency	
2. Kidney Yin Deficiency	
3. Kidney Yang Deficiency	
4. Essence Deficiency	
5. Failure of Kidney to Grasp the Qi	
6. Kidney Yang Deficiency with Water Flooding	
<u>Gallbladder Syndromes</u>	231
1. Liver & GB Damp Heat	
2. GB False Heat	
<u>Liver Syndromes</u>	232
1. Liver Qi Stagnation	
2. Liver Yin Deficiency	
3. Liver Fire	
4. Liver Blood Deficiency	
5. Liver Yang Rising	

6. Cold Stagnation in the Liver Channel
7. Liver Blood Stagnation
8. Liver Heat Creates Liver Wind
9. Liver Yang Creates Internal Wind
10. Liver Blood Deficiency Causes Internal Wind
11. Liver Insults the Spleen
12. Liver Insults the Stomach

VIII. Treatment of Disease

1. Abdominal Pain	235
2. Amenorrhea	237
3. Asthma	239
4. Bi Syndrome	241
5. Chest Pain	243
6. Child Malnutrition	245
7. Common Cold	246
8. Constipation	248
9. Cough	250
10. Deafness & Tinnitus	253
12. Diarrhea, Child	255
11. Diarrhea	256
13. Dysentery	258
14. Dysmenorrhea	260
15. Edema	262
16. Epigastric Pain	264
17. Epilepsy	266
18. Goiter	267
19. Headache	268
20. Hypochondriac Pain	271
21. Infantile Convulsion	272
22. Insomnia	274
23. Insufficient Lactation	276
24. Intestinal Abscess	277
25. Jaundice	278
26. Prolonged Labor	279
27. Morbid Leukorhea	280

28. Lin Syndrome	282
29. Lower Back Pain	285
30. Menses- Early	287
31. Menses- Irregular	288
31. Menses- Late	289
32. Metorrhagia “Beng Luo”	290
33. Morning Sickness	292
34. Nasal Discharge “Bi Yuan”	293
35. Palpitation	294
37. Sore Throat	296
38. Uterus Prolapse	297
39. Vomiting	298
40. Wind Stroke	300
41. Xiao Ke	304

IX. Bibliography	305
